Hi Lori,

Thanks for all of your work this week, and updating the table. I appreciate your catching the line I missed. Attached is the latest version of the table for your files.

Hi Mark – The SEMS numbers have been added to the table. We are working at placing the uncontrolled narrative records into SEMS.

On the tally section, noticed Q8 was missing 10730-10742 from Response 4. That changes Q8 total to 10,742 and the CBI Claim Tally: to 43,761. Made those changes to the tally section.

Thanks,
Lori

Hi Lori,

I made a couple of changes to the table, including adding a document tally on the last page. If you could send me back the table w/ the SEMS #, I'd like to use it in a management briefing at 2PM today, if possible. If that's not feasible, just let me know.

Thanks,

Mark
